8. Undergarments are not to be exposed, at any time.

Any student that violates any rule 1 through 8 will be held accountable to a ministry leader following our discipline action policy and a strike may be issued. If strike is issued, parents will be notified of such action and offense.

# **DISCIPLINE ACTION POLICY:**

*Revised October 2021*

Order of proper discipline procedures followed by the staff and volunteers.

1. **Correct the student** – Go to where the student is and first ask their name if you don't know, then lovingly correct them where they are at. Kindly ask them to stop whatever it is that they are doing that is distracting the service or breaking a facility rule.
2. **Second Warning** – Go to where the student is for a second time and correct them where they are at. Ask them to stop whatever it is that they are doing and be sure to inform them that this is the second time you have asked them to stop.
3. **Escort Out** – Go to where the student is and firmly ask them to quietly go with you out of the area where you are at (outside of the auditorium/meeting space), then proceed to step 4.
4. **Review Rules** – Go over the rules for attending (Code of Conduct). Be very clear that if they want to come to service that they must obey these rules. If they choose to obey, proceed to step 5. If they choose not to obey, inform them that they choose not to come to service and proceed to step 6.
5. **Assign a new place** – After reviewing the rules with them, if during the service, escort them back into the auditorium and seat them on a back row. If during an activity time, direct the student to a different area of the room or to another activity/zone. If in their assigned seat the student causes any problem at all, gently ask them to exit to the lobby with you and proceed to step 6.
6. **Communicate next steps (Three Strike Policy)** – Escort the student to the lobby and explain that they have been too much of a distraction and will now be disciplined according to our three-strike policy. Explain to the student that their parent(s) will be notified of final decision once decision has been made.

Once a student has been escorted out to the lobby and the next steps explained (Three-Strike Policy), leader will get the first and last name of the student, as well as bus number (if applicable) and possibly take a photo of the face of the student to communicate as many details as possible with the security team. Students who are escorted out of the service must sit in the café or lobby with an adult (of the same sex) until the proper dismissal time.

The leader will then fill out an Incident Form and submit all documents to the Lead Pastor for review. After discussing the situation with the leaders involved and other witnesses, a final decision will be made regarding a strike being issued. If strike is issued, parents will be notified by mail, by telephone, or in person.

**The exception to this approach is anything that causes a physical threat to someone. Fighting, threatening behavior, possessing a weapon or possessing drugs and alcohol are illegal acts. Leaders are not to deal with these incidents alone and should immediately notify another leader for assistance. The security director or a pastor should be also notified immediately. Students involved in such behaviors will be removed from the facility without further warnings.**

## **THREE STRIKE POLICY:**

*Revised October 2021*

We have implemented and found that the following three-strike policy in our programs are of great benefit to maintain order, time and energies.

- **STRIKE ONE** – If, after a student has been warned about his disruptive behavior, (on transportation, classroom, main auditorium or premises) and he/she continues to resist the teacher’s authority, he/she will be issued a strike and will not be allowed to attend service for the next week or participate in any other church affiliated activities. A letter will be sent to the parent stating such action/behavior.
- **STRIKE TWO** – If in the following weeks the student continues to be disruptive, he/she will be issued a second strike and will not be allowed to attend service for the next **TWO** weeks or participate in any other church affiliated activities. A letter will be sent to the parent stating such action/behavior.
- **STRIKE THREE** – If a child’s disruptive behavior persists, even after the previous suspensions, he/she will be issued a third strike and will not be allowed to return for the remainder of the current session (spring/fall), unless the parent requests a meeting with a ministry leader to discuss behavior. A letter will be sent to the parent stating such action/behavior.

*Our main purpose is to help you as a parent instill in your child(ren) a love for God and His Word. Godly character, obedience and respect are just a few of the many lessons our leaders are teaching. Thank you for your cooperation and example.*
